ASSEMBLED CHAIR BASE | OPTIONAL SEAT

Development is important and Hans K is always working to increase the clients' different options. This has led to a change in construction of Hans K chairs. Today you get an assembled base where you yourself very easily assemble the seat you have chosen.

ASSEMBLED BASE: The client choose the chair base.

STANDARD SEAT: You find the standard seats in the collection brochure and price sheet.

OPTIONAL SEAT: This seat is an additional choice, at an additional cost. You can choose other upholstery - fabrics, leathers and sheep skins from the Hans K selection.

Hans K chairs with the new construction:
Colibri, Inzel, Rainbow, Verona and Y5.

Get in contact with your retailer for more information and help to order.
